no. 1887/2017

**regarding the value of Intrastat thresholds for the collection of
statistical information concerning the intra-EU trade in goods in 2017**

According to the provisions of Law regarding the organization and activity of official statistics in Romania no. 226/2009 updated with completions and of Government Decision no.957/2005 regarding the organization and activity of the National Institute of Statistics, with the further amendments and additions,

according to the provisions of the Law no.422/2006 regarding the organization and the activity of the statistical system of international trade with goods,

given the Justification note no. 54.169/2017 of the External Trade Statistics of the National Institute of Statistics, and the Operational Procedure „Adoption of legal acts” – O.P. – 1.0.0.4.02, Ed.II, Rev. 0, approved by the Decree of the President N.I.S. No 1.399/2017 *)

the President of the National Institute of Statistics issues the following decree:

Art.1. The following values for the Intrastat thresholds in 2018: 900.000 Lei for intra-EU dispatches of goods and 900.000 Lei for intra-EU arrivals of goods, respectively.

Art.2. The economic agents who carried out exchanges of goods with the Member States of the European Union during 2017, whose yearly value, apart for the two flows, dispatches and arrivals, respectively, exceeds the value of Intrastat thresholds established, have to fill in and transmit to the National Institute of Statistics the Intrastat statistical declarations starting with January 2017.

Art.3. Other economic agents which carry out intra-EU exchanges of goods, whose cumulated value since the beginning of the year exceeds the Intrastat thresholds for 2018 can become Intrastat data providers during 2018. These economic agents have to fill in and transmit Intrastat statistical declarations starting with the month in which intra-EU dispatches and/or arrivals cumulated value since the beginning of 2018 exceeds the Intrastat established thresholds, apart for the two flows.

Art. 4. This decree shall be applied by the division of experts involved within the National Institute of Statistics.

Art. 5. The provisions of the Decree of the President of the National Institute of Statistics no. 1302/2016 regarding the establishment of Intrastat thresholds for the collection of statistical information regarding the intra-Community trade with goods in 2017, published in the Official Journal of Romania, Part I, no. 1005 from 14December 2016, are repealed by the current decree.

Art. 6. This decree shall be published in the Official Journal of Romania, Part I.
